

**Education Department
Strategies of Teaching and Learning
January-May 2016**

**ASSIGNMENT 2- INDIVIDUAL TASK: ESSAY (25%)
Due Date: March 11, 2016**

Lesson planning is a critical component of being an effective teacher. As we engage in planning, we must ensure that some fundamental elements are present in our lesson plans.

a. Making reference to relevant research, discuss the importance of any **THREE (3)** elements of a lesson plan. **9 marks (3x3 marks each)**

b. Describe **THREE (3)** student centred activities that you could use to help students understand a selected concept from your area of specialization.
12 marks (3x4 marks each)

Language & organization (4 marks)

TOTAL (25 marks)
