

Shortwood Teachers' College
Bachelor of Education

Department: Education

Course: Classroom Management

Time Period: 2018 – 2019 | Semester 1

Assignment #1 - INDIVIDUAL

Due: Monday October 8, 2018

- A. Describe ONE external and ONE internal factor impacting classroom management, justifying your categorization of each factor. **(4 marks)**
- B. With the use of practical examples from the Jamaican context, evaluate how each of the factors identified above could negatively and positively impact effective classroom management. **(12 marks)**
- Language and Organization **(2 marks)**
References **(2 marks)**

** Please note that your document should be formatted 12pt, Times New Roman, double-spaced, not exceeding 5 pages.*

Rubric				
Description of factors	4 marks	3 marks	2 marks	0 – 1 mark
	<i>Clearly and accurately describes each factor. Description clearly justifies both factors as being internal and/or external.</i>	<i>Each factor is described. Description justifies the factor as being internal or external. There are some issues in relation to the depth and clarity of the discussion.</i>	<i>One factor is clearly and accurately described. Description clearly justifies the factor as being internal and/or external.</i>	<i>Incomplete description and justification of the factors</i>
Discussion of negative impact	6 marks	4 –5 marks	2 – 3 marks	0 – 1 mark
	<i>Discussion thoroughly addresses one negative impact with at least two appropriate examples from the Jamaican context</i>	<i>Discussion satisfactorily addresses one negative impact with at least one appropriate example from the Jamaican context.</i>	<i>Discussion partially addresses the impact with an inappropriate example. Information contains inaccuracies and the discussion lacks depth.</i>	<i>Discussion poorly addresses the impact with no example or an inappropriate example</i>
