

**Philosophy of Education - Assignment 2 – Reflective Essay**

**20% of total grade**

As a classroom facilitator and aspiring philosopher, who has been actively engaged in the course Philosophy of Education, explore your personal philosophy of education. The following components should be included:

- i. An outline of your philosophy of education.
- ii. A discussion of three ways in which one philosophy explored in the course supports or contradicts your philosophy.
- iii. An analysis of two implications of your philosophy for the following roles of teachers:
  - a. An agent of change
  - b. An ethical/moral being

**Marking Scheme**

Your philosophy	10 marks
